TWENTY-SIXTH PUBLIC SALE OF

RARE COINS

To Be Sold By Mail Auction to the Highest Bidder Without Reserve Thursday, December 30,, 1926, by

M. H. BOLENDER
P. O. Box 34
Orangeville, Illinois

To Collectors:—Something that you want is offered in this sale as these coins and bills have been sent in by fifteen different collectors. There is a splended collection of monies of the world; these specimens were sent in by one of our prominent collectors. In my various exhibits I have always found the most interest shown by the general public in a collection of this kind. But many of these pieces are seldom offered at sale and your attention is therefore called to them.

Please forward your bids promptly as there is little time left before the sale. First bids received also have the preference in case of a tie.

My classifications and descriptions are based on knowledge gained through 15 years of earnest dealing in coins. I have endeavored to refrain from over-rating the quality of a lot. I believe that the word "RARE" should not be overworked.

Please remember my strong guarantee. If goods are not satisfactory (you are to be the judge), you are at liberty to return them without any danger of offending.

No commission charged for faithfully executing your bids.

New bidders should send reference or a deposit of at least 25% of bids.

Coins will be bought as much below your bids as possible as this is competitive bidding carried out in good faith.

If you do not know how much to bid on any item, write me and I shall be glad to inform you as to value.

Here are a few of the hundreds of testimonials received:

"I want to thank you for the nice coins and notes you sent me. Everything is satisfactory."

"Thanks for handling my bids. Eight of the eleven items listed were bought at prices less than my bids.

"My only regret was that I was not fortunate enough to acquire more of the lots I bid on."

"I wish to thank you for buying several lots below my actual bids."

"The coins like all that I have purchased from you, were in better condition than I expected."

Receipted bills are not sent out after your remittance as this is unnecessary. Your check, draft, or money order itself is a receipt, and we ask you to pay only once. However, if a 2-cent stamp is enclosed we will send receipt.

Let me sell your collection or duplicates in these sales. Quick returns and satisfactory results are realized. My sales are held about once a month. Write for terms.

Please bid by the piece unless stated to bid for the lot.
